The Drawdown's Fund Finance Tracker

October 22, 2021 | Issue No. 149

As the fund finance market continues to grow, it has also become harder to navigate. *The Drawdown's* first edition of the "Fund Finance Tracker" analyzes the continued popularity of subscription lines, as well as the growth of NAV lines and GP financing. Through interviews with key lenders, this article provides some insight into how lenders approach these loans. To access the subscription-required article, click [here](#).
