October 22, 2021 | Issue No. 149

Welcome
Perry Hicks
Charlotte, NC

Cadwalader's Fund Finance team is excited to announce that Perry Hicks has re-joined the practice as a Special Counsel in our Charlotte, NC office. Most recently the leader of Hunton's fund finance group, Perry brings nearly two decades of fund finance experience, having represented lenders in secured fund financings, including NAV, hybrid, and subscription facilities to hedge funds, fund of funds, and pure play private equity. We are delighted to have Perry back on board, joining our other senior-level additions to our team. Earlier this year, we welcomed partner Chad Stackhouse in Washington, DC and Special Counsel Leah Edelboim in New York.
