FFA EVENT

2021 Year in Review and 2022 Outlook

Register for this coming Tuesday's (Dec. 14) FFA Global webinar that will feature representatives from around the world as they reflect on the market and trends we have seen in 2021. The panel will also include a quick preview of what to expect at the Global Conference in Miami in February 2022. Speakers from Private Equity, Private Debt, PE Secondaries and other asset classes will discuss their 2022 Fund Finance outlook. Visit [here](#) for more info and to register.
