

## Fund Finance Friday

### **Webinar: Diverse Liquidity Options for Complex Cayman Islands Fund Structures**

**January 21, 2022 | Issue No. 159**

Mondaq hosted a webinar earlier this week on Cayman Islands fund structures with panelists Agnes Molnar and Richard Mansi, partners at Travers Thorp Alberga; Dave Wasserman, Managing Director at Morgan Stanley; and Parisa Clovis, partner at Kirkland & Ellis. The panelists discussed a range of topics, including the current state of the fund finance market, the increasing number of multi-fund structures and the challenges they bring, NAV-oriented funding, and private credit considerations.
