RBS on ‘The Evolution of Open-Ended Funds’

April 8, 2022 | Issue No. 170

The success of open-ended funds through the pandemic has closed many of the open concerns. Open-ended funds won't replace the close-ended funds, but lenders should approach them with an open mind. In this [article](#), RBS discusses the evolution of these funds, their strengths and the best practices when closing these deals.
