Fund Finance Hiring

First Republic is hiring for a Sr. Credit Analyst in San Francisco. The Sr. Credit Analyst qualifications include strong private equity credit and underwriting skills. The Analyst works closely with business bankers, outside counsel, and clients to manage risk, monitor reporting, and document and close loans. Please visit [here](#) for the full job description.

Wells Fargo continues to grow its European Fund Finance team and is hiring one Analyst and one Associate to support the bank's fund-level financing activities to private equity funds and other asset managers through structured credit facilities. The role will be based in London and calls for a Bachelor's or Master's degree and prior experience (3+ years for the Associate position) at an investment bank, asset manager or another reputable financial services firm. The incoming Analyst and Associate will have an opportunity to join a fast-paced environment, structured around lean deal teams, and gain exposure to significant credit volumes and a wide range of asset managers.
