

## Fund Finance Friday

### The History of the FFA and 'Fund Finance 2.0'

April 29, 2022 | Issue No. 173

Wildgen has introduced a new series, "Fund Finance Expert Talks," where key industry players are invited to a one-on-one discussion with Wildgen Director, Michael Mbayi. **Tune into** the inaugural episode featuring Nick Mitra, Managing Director at Société Générale in New York. In this first episode, Mbayi and Mitra discuss the growth of the FFA, and "Fund Finance 2.0," including the growth of hybrid and NAV deals, the introduction of rated note feeders, the priority on ESG, and considerations to keep in mind with the growing complexity of fund structures.
