FFA Career Conversations Podcast: A Conversation with Neno Raic

August 5, 2022 | Issue No. 187

On this week's FFA Career Conversations podcast, host Joel Buckett of Deutsche Bank Wealth Management speaks with Neno Raic, founder of No Limit Capital. Joel and Neno discuss the market forces that created the need for a non-bank lender in the Fund Finance industry, the challenges that come with being an entrepreneur, and why institutional capital providers should be viewed as a complement to traditional large and midsize lenders. To learn more about No Limit Capital and Neno's journey from a small town in Croatia to one of the industry's most exciting young innovators, tune in [here](#).
