

Fund Finance Friday

Private Debt Investor: The Questions Investors Need to Ask about Fund Finance

September 9, 2022 | Issue No. 192

In this article, *Private Debt Investor* surveys fund finance industry leaders to explore LPs' increased comfort with the use of subscription facilities by GPs, LPs' evolving attitudes towards NAV financings, and how a potential economic downturn might impact the fund finance market. Please find the article available [here](#).
