January 20, 2023 | Issue No. 207

Cadwalader's London Fund Finance team has continued its recent expansion with the hire of Nathan Buckley and Duarte Reis.

Nathan is an experienced finance lawyer with over 15 years of experience, and he joins us from Hogan Lovells in London. He brings a wealth of expertise on NAV/asset backed facilities, particularly in the infrastructure space, where he has for many years advised some of the most prominent lenders and sponsors on NAV and subscription facilities, as well as a wide range of other infrastructure finance products. His most recent experience (while at Hogan Lovells) includes advising, either lender or borrower side, on deals with Pantheon Infrastructure, Infracapital, Equitix, INPP and Brookfield Renewable.

Duarte's practice focuses on representing lenders in a wide variety of fund finance transactions. Prior to joining Cadwalader, Duarte worked at Morais Leitão's Lisbon office and at Loyens & Loeff's Luxembourg office. Duarte co-authored the jurisdiction chapter for Portugal in the *GLI - Fund Finance 2022*, sixth edition.
