

## Fund Finance Friday

### The Drawdown to Host Fund Finance Breakfast Briefing

March 24, 2023

*The Drawdown* will host a members-only breakfast briefing, titled "**Fund finance: Dealing with an increasingly complex lender landscape**," on April 27 in London.

The program will feature a wide range of expert practitioners from across the fund finance community, including lenders and lawyers. The discussion will focus on the criticality of sourcing liquidity for operational leaders in private capital funds, and will also examine the rapidly shifting landscape when it comes to who is providing capital, as well as the increased complexity of the fund finance market.
