Fitch Ratings Finalizes Subscription Finance Rating Criteria and Announces Webinars

June 9, 2023

Fitch Ratings has published its Subscription Finance Rating Criteria and an associated Feedback Report following the receipt of comments on the Exposure Draft published in February. Fitch notes that the final criteria is “substantively in line with the Exposure Draft although certain adjustments and clarifying language were added.” You can read more [here](#).

Fitch will be hosting two webinars next week to go over the final methodology and changes from the exposure draft. These webinar pages also include links to the methodology and feedback report (which summarizes comments Fitch received).
