Cadwalader Hosts 7th Annual Finance Forum

October 20, 2023

Over 700 financial industry leaders and professionals from around the country participated in Cadwalader's seventh annual Finance Forum in Charlotte yesterday. It was wonderful to meet for a collective dialogue on the foremost issues facing the industry today, with respect to fund finance, leveraged finance, commercial real estate, middle-market lending, asset-based lending and structured finance.

We are grateful to our speakers, clients and all attendees who took the time to participate in the event's many dynamic discussions, fireside chats and networking.

Next week's *FFF* will include more coverage of the Finance Forum. In the meantime, please enjoy these photos!
