**Congratulations to the new additions to the
FFA Asia-Pacific Committees!**

The Fund Finance Association is pleased to share some exciting news about the evolution of the FFA's APAC Committees!

We are delighted to introduce new additions to our APAC Executive Committee: **Ian Roebuck**, a local partner at Baker & McKenzie's Singapore office, and **Patrick Wong**, a partner based in Allen & Overy's Hong Kong office. Their expertise and commitment will further drive our mission forward as we adapt to the ever-changing market landscape.

As we welcome these exceptional professionals, we express heartfelt gratitude to **Darren Choy**, **Albert Tan**, and **Emma Wang**, who have stepped down from our Executive Committee but will remain involved as they transition and join our APAC Advisory Council. Their insights and leadership will continue to be instrumental in shaping the FFA's future in the APAC region. **Daniel Toblib**, Head of Fund Finance Origination APAC at Macquarie Group has also joined our Advisory Council.

We look forward to working closely with our official APAC NextGen Committee to drive meaningful impact and advancement within the community of junior professionals in the Fund Finance industry. We are happy to gain the support of **Natalie Carter**, **Adrian Chiang**, and **Victoria Eriksson** as our APAC NextGen co-chairs, as well as members **Somdatta Basu**, **Karen Chow**, **Pui Yee Lai**, **Emily Tsoi**, and **Shutian Xu**.

The newest members of the FFA APAC Diversity Committee will undoubtedly contribute to the continued success of Diversity in the APAC region. We are excited to welcome co-chairs **Shankul Mittal**, **Beelee Seah**, and **Anuj Shah**, and member **Lily Miao** as we promote education, opportunity, action, and affinity in the fund finance community.

While we continue to expand in the region, the ongoing support of our sponsors and the broader fund finance community remains invaluable to our success.
