Trends in the Current Fund Finance Market With Alex Griffiths From MUFG Investor Services

November 1, 2024

The fund finance sector has seen notable activity in recent months, including a shift away from sub-lines and the entrance of new players in the market.

In this episode of the *We Talk Banking & Finance* podcast, MUFG Investor Services Managing Director of Fund Finance, Alex Griffiths, joins Walkers partners Julia Keppe and Alex Wickens to discuss what he's observed in the market and what we might see over the next 12 months amid an uncertain economic and political climate.
