

## Fund Finance Friday

### Fund Finance Insights - Middle East & Africa

February 21, 2025

Building on the exploration of the history of **fund finance in Europe**, Loan Market Association has published a new paper shifting their focus to the dynamic regions of the Middle East and Africa.

This paper delves into the historical financing practices and the development of fund finance in the Middle East and Africa, highlighting key milestones and opportunities that have shaped its integration into the modern financial landscape.
