### Irish Fund Finance in Five – Part 5

March 21, 2025

As St. Patrick's Day was celebrated at the beginning of the week, Mason Hayes & Curran paraded a different set of vehicles this year: the various funds and other investment vehicles available to sponsors in Ireland.

In the fifth and final instalment of the *Irish Fund Finance in Five* series, Anthony O'Hanlon, Kevin Mangan, Eoin Traynor and others explore the shelf of options available in Ireland for funds and other investment vehicles used by sponsors. With a well-established fund industry and a flexible SPV regime, more lenders are interacting with Irish structures. They examine the Irish structures which are available and the key points which lenders need to consider when providing finance to an Irish entity.

Read on for insights and download the full series for a comprehensive guide to navigating Irish legal issues in fund finance transactions.
