Cadwalader Fund Finance, Finance and Financial Services Group partners have contributed to the 13th edition of *Lending & Secured Finance 2025*, which covers common issues in lending and secured finance laws and regulations – including guarantees, collateral security, financial assistance, and syndicated lending, published by Global Legal Group.

Contributions from Cadwalader partners include:

- **"Financing Evergreen Funds: The Growth of Individual Investors in the Private Equity Secondaries Market"**, authored by George Pelling, Brian Foster, Mike Newell, and John Donnelly.

The article explores the significant growth of evergreen funds in the fund finance market, highlighting how secondaries sponsors are increasingly launching evergreen funds as a way to attract capital from individual investors and the implications for financing structures and liquidity management.
