### Fund Finance Hiring

- State Street has launched a search for a department head to lead the bank's Alternatives Lending group. Based in the New York area, the appointee will oversee the existing book of business, manage the origination of new fund financing solutions and provide strategic direction to the platform. More details can be found [here](#).
- The Cadwalader New York office seeks an associate to join its highly regarded Fund Finance practice for a position specializing in fund finance and derivatives. The ideal candidate will have 2–5 years of experience in a corporate transactional practice, such as mergers and acquisitions, corporate finance or secured lending. Familiarity with derivatives is helpful but not necessary. The associate would join a growing practice active in a diverse range of secured lending and derivatives transactions involving leading commercial and investment banks and top-tier hedge funds, private equity funds and registered investment companies. A successful candidate will have strong drafting and client communication skills, as well as a desire to manage client relationships and move transactions forward independently. J.D. and NY Bar admission required. If you are interested in applying for this position, please click [here](#).
