August 15, 2025

Loan Market Association (LMA) has released a new podcast focusing in on market developments since the LMA and the Drawdown first launched the [Fund Finance Intelligence Survey](#).

In this LMA Talks Loan Markets podcast, industry leaders explore:

- access to liquidity and structural innovation;
- trends in volume and deal flow;
- the evolution of the NAV and CV markets;
- ESG's and its role in the market; and
- what's next for the market and the Survey.

The podcast is available [here](#).

LMA also recently published a Fund Finance Webinar titled "In Conversation: An Introduction to Fund Finance" featuring Cadwalader partner [Bronwen Jones](#).

In the webinar, Bron and [Ed Reilly](#) provided an introduction to fund finance from both a legal and commercial perspective. They also covered topics such as how fund finance differs from investment grade lending and leveraged finance, the basic private capital fund structure, the evolution of subscription facilities and NAV facilities.
