

Fund Finance Friday

Agenda Announced for FFA U 2.0 EMEA!

September 5, 2025

Join the Fund Finance Association in London for FFA University 2.0 — a full-day program delivering fresh insights into the latest developments and structural trends shaping today's fund finance market.

The agenda features sessions on:

- Subscription facilities
- Secondary and NAV loan structures
- Open-ended and semi-liquid strategies
- NAV case study
- CFO structures
- Private equity business model.

Each session will offer fresh insights, practical examples and a closer look at the key trends driving the market forward.
