Cadwalader, Wickersham & Taft LLP advised Barings in connection with an investment grade rated financing to support a \$365 million investment in Partners Group Private Loans SICAV SIF, an evergreen private credit vehicle focused on direct lending opportunities globally.

The transaction further strengthens the long standing partnership between Partners Group and Barings, representing the latest in a series of successful private credit facilities executed by the two firms. Their ongoing collaboration highlights a shared commitment to delivering tailored investment solutions that address the evolving needs of global investors.

The Cadwalader team included partner **Angie Batterson**, associate **Adela Woliansky** and law clerk Abbie Hobika.
