Fund Finance Hosts Clients at Galentine's Celebration

March 6, 2026

Fund Finance Counsels **Fiona Cheng** and **Susan Bumgardner**, along with Associate **Elise Lindenmayer**, recently hosted a picture-perfect Galentine's celebration in February at M.M.LaFleur in Bryant Park.

Guests enjoyed a private shopping experience at the beautiful showroom and refreshed their professional headshots with Darcy Rogers Photography, complemented by touch-ups from the personal beauty and wellness team at PRIV.

We loved seeing everyone explore the showroom, enjoy a little glam and leave with an extra bit of sparkle (or blush) in their step.
