## Fund Fanatics Podcast with Ariel Project Level's Jason Wright

May 8, 2026

On this month's *Fund Fanatics*, hosts Scott Aleali and Jeff Maier sit down with Jason Wright, Managing Partner at [Ariel Project Level](#), for a deep dive into the fast-growing arena of women's sports investing.

Jason shares insights from his unique journey — from NFL running back to McKinsey partner to becoming the first Black team president in NFL history with the Washington Commanders — and now leading private equity investments in the future. The full episode is available on [Spotify](#) and [Apple Music](#).
