Real Deals Article on Preferred Equity Structures

September 27, 2019 | Issue No. 47

Real Deals published an article earlier this week focusing on preferred equity structures with a case study on the recent EUR105m Palamon/Pomona transaction in Europe, which was supported by leverage from Investec. Attorneys in our London office – Sam Hutchinson, Amrita Maini and George Pelling – advised Investec on the transaction. The article is available [here](#).
