Mourant Hosts Webinar on Fund Finance

May 22, 2020 | Issue No. 78

Mourant hosted a webinar panel last Friday, discussing COVID-19's impact on private equity and fund financing, with a focus on Asia-Pacific as well as potential industry-wide effects. The panelists discussed the lack of LP defaults, COVID-19's impact on the secondary market, lender appetite for financing new subscription facilities, the importance of GP-LP and sponsor-lender relations and future opportunities in fund finance. The webinar is available for video replay [here](#).
