How Secondary Market Tools Benefit GPs Post-COVID – Secondaries Investor

September 4, 2020 | Issue No. 93

Whilst COVID-19 has undoubtedly presented many challenges to GPs, Mozaic Capital's Solomon Owayda and Christine Patrinos discuss how secondary market innovations and, in particular, GP-led deals may be among the key tools that allow GPs to generate liquidity and ease the pressure to sell assets. The article is available [here](#).
