### Walkers Reviews Market Trends for Q4 and Q1 2021

November 6, 2020 | Issue No. 102

In *Walkers Offshore Fund Finance Update – Asia, Europe & US Markets*, Walkers notes recent trends, including differences in the range of deals they are seeing across the markets, their anticipated activity for deals going into 2021, and general observations on how long deals are taking to close and the potential impact on financing terms. In addition, Walkers notes some of the activity around the Private Funds Law and the response of lenders and funds to address compliance. The update is available [here](#).
