New York Passes LIBOR Transition Bill

March 26, 2021 | Issue No. 119

The State of New York this week passed legislation intended to help smooth the LIBOR transition for difficult legacy contracts. *Law360*'s coverage of the legislation and its passing is available [here](#). Congratulations to our Partners, Jeff Nagle and Lary Stromfeld, who have been working on this legislation for well over a year. Great work!
