ORAL ORDER: Having reviewed the parties' recent submissions relating to a modification to the post-trial briefing schedule (D.I. 638, 642, 646, 648), IT IS HEREBY ORDERED that VMware's request to modify the schedule is GRANTED IN PART and DENIED IN PART. Although the Court recognizes that further discovery may be necessary after briefing has concluded and/or following argument on the motions, the Court disagrees that such discovery should occur before briefing can proceed. However, considering challenges and concerns relating to COVID-19, a slight modification to the schedule is appropriate. IT IS FURTHER ORDERED that both sides' post-trial opposition briefs are now due next Friday, April 3, 2020. ORDERED by Judge Leonard P. Stark on 3/27/20. (ntl) (Entered: 03/27/2020)
