ORDER FOR MEDIATION

This is a patent case that was filed on March 4, 2019. (ECF No. 1.) On July 8, 2020, the Court held a Claim Construction hearing. On February 20, 2021, the parties indicated by joint email that they consent to undergo mediation to resolve this dispute. The Court agrees with the parties that it would be prudent to do so.

To that end, the Court orders the parties to undertake mediation proceedings with the Honorable Gerald E. Rosen (Ret.). After consultation with counsel, Judge Rosen is empowered to make the following determinations regarding the mediation proceedings: (i) the format; (ii) the number of sessions; (iii) the appropriate persons who must

attend, aside from counsel, it being understood that such representatives must include persons with full settlement authority and that attendance may be virtual due to the limitations created by the COVID-19 pandemic; (iv) the location or, if digital, the online platform to be used; and (v) all date(s).

The Court stresses the importance of convening the mediation at the earliest opportunity.

IT IS SO ORDERED.
