ORDER

Before the Court is Intertrust's Unopposed Motion For Leave To Permit Late-Produced Documents From Foreign Third Party (Dkt. No. 213) (the "Motion"). In the Motion, Plaintiff Intertrust Technologies Corp. ("Intertrust") requests leave to permit fifty-four (54) documents produced after the close of fact discovery by third-party GDC Technology Limited (Hong Kong SAR) ("GDC HK"). Intertrust informs the Court that it sought discovery from GDC HK diligently, but various delays outside of its control prevented the timely production of the documents. Intertrust further explains that the late-produced documents are important to the case. Defendants Cinemark Holdings, Inc., AMC Entertainment Holdings, Inc., and Regal Entertainment Group do not oppose the Motion.

Having considered the Motion, and noting that it is not opposed, the Court finds that it should be and hereby is **GRANTED**. Accordingly, the fifty-four (54) documents produced after the close of fact discovery by GDC HK are **permitted** into the above-captioned cases and will be considered as being properly and timely produced.

So ORDERED and SIGNED this 17th day of August, 2021.
