**CIVIL ACTION NO. 6:11-CV-00201-JRG**

**ORDER**

The Court issues this Order *sua sponte*. In light of rapidly evolving developments related to the COVID-19 virus, the Court hereby **VACATES** its order of March 16, 2020 (Dkt. No. 966), which required both lead and local counsel to mediate in person in Dallas, Texas. Such mediation would have required lead counsel to travel to Dallas, Texas from various locations around the country, and the Court is persuaded that an appropriate level of caution counsels against such travel at this time.

The Court notes that both parties are represented by able and competent local counsel, both of whom are located in Tyler, Texas. Given the parties' prior proposal to conduct mediation via videoconference, the Court agrees that videoconference participation is appropriate for national counsel who would otherwise have to travel in order to attend mediation. Accordingly, the Court **ORDERS** that local counsel for both parties shall attend a mediation in person with the Hon. David Folsom, the mediator in this case, at a location designated by the mediator in Tyler, Texas. All national counsel and all party representatives not located in Tyler, Texas shall attend and participate in the mediation via videoconference. Mediation shall be completed by or before March 27, 2020.

So ORDERED and SIGNED this 20th day of March, 2020.
