Re: *Mitsubishi Tanabe Pharma Corporation, et al. v. Sandoz Inc., et al.*  
Civil Action No. 17-5319 (consolidated) (FLW)(DEA)

Dear Judge Arpert:

This firm, together with Kasowitz Benson Torres LLP, represents Zydus Pharmaceuticals (USA), Inc. ("Zydus") in the above-captioned action. We write to respectfully request a one-week extension of time for the parties to file their pretrial briefs and proposed findings of fact and conclusions of law from May 14 to May 21, 2020 (ECF No. 158). Plaintiffs do not object to this request. In light of Chief Judge Wolfson's adjournment of the May trial in this case, and the current public health crisis, this proposed extension will not affect any other dates on the schedule.

Accordingly, if the requested extension meets with the Court's approval, we respectfully request that Your Honor execute the So Ordered provision below and have this letter entered on the docket by the Clerk of the Court.

We thank the Court for its consideration and continued assistance in this matter.

Respectfully submitted,

s/ Sean R. Kelly
