

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF GEORGIA  
ATLANTA DIVISION

SENDSIG, LLC,

Plaintiff,

v.

SQUARE, INC.,

Defendant.

CIVIL ACTION NO.  
1:19-CV-03733-JPB

**ORDER**

This matter comes before the Court on Defendant's Unopposed Request for Oral Argument [Doc. 27] and Defendant's Motion to Dismiss Amended Complaint [Doc. 23]. This Court finds as follows:

Plaintiff filed its Complaint for Patent Infringement against Defendant on August 19, 2019. [Doc. 1]. Plaintiff filed its First Amended Complaint for Patent Infringement on October 29, 2019. [Doc. 17]. Thereafter, on December 11, 2019, Defendant filed its Motion to Dismiss Amended Complaint. [Doc. 23]. After the briefing was completed, Defendant filed an Unopposed Request for Oral Argument. [Doc. 27]. Defendant explained that "[g]iven the detailed arguments raised in the motion and the questions the Court may have, [Defendant] believes that in-person oral argument with demonstratives will assist the Court." Id. at 1.

In light of the ongoing public health emergency created by COVID-19, Defendant asked this Court to schedule oral argument for “a date likely to allow in-person attendance of all relevant parties and their counsel.” Id.

This Court agrees that “oral argument, with demonstratives, will simplify and narrow the issues before the Court.” See id. at 2. As a result, Defendant’s motion [Doc. 27], which is unopposed, is **GRANTED**. The Court will issue a separate order setting the date and time for oral argument for a date certain in November 2020. Because oral argument is appropriate in this case, Defendant’s Motion to Dismiss Amended Complaint [Doc. 23] is **STAYED** pending oral argument. The Clerk is **DIRECTED** to terminate the pending motion [Doc. 23], and the Clerk shall renew and resubmit the motion for ruling once oral argument is completed.

**SO ORDERED** this 5th day of September, 2020.
