ORDER

Having considered Defendants' Motion to Stay ("Motion") IT IS HEREBY ORDERED
this 14 day of May, 2020, that the Motion is GRANTED^{**} and that the dates in the
Scheduling Order (D.I. 20) are amended as set forth in Exhibit 1, attached hereto.

The Honorable Jennifer L. Hall
United States Magistrate Judge

** Pursuant to D. Del. Revised Standing Order In Re: Court Operations Under the Exigent Circumstances Created By COVID-19, ¶ 3 (Apr. 17, 2020), "[j]udicial officers may apply the principles of flexibility and accommodation to reasonable requests for filing or scheduling adjustments necessitated by reasonable and fact-based travel, health, or safety concerns, or advice or directives of public health officials." Defendants have proffered "reasonable and fact-based concerns" in support of their request for a stay, and they propose "reasonable" extensions that will not affect the claim construction hearing or trial dates. After considering all of the arguments set forth in the briefing, I find that a stay is appropriate, particularly since I do not find that Plaintiff would be unduly prejudiced by the modest extensions to the schedule. See *Ethicon LLC v. Intuitive Surgical, Inc.*, No. 17-871, 2019 WL 1276029, at *1 (D. Del. Mar. 20, 2019).
