NewsRelease

For Immediate Release:

Cadwalader Advises on Trading Risk Award Deals

New York, NY, April 30, 2010, Cadwalader, Wickersham & Taft LLP, one of the world's leading law firms, announced today that members of the firm advised on three of the four deals short-listed as finalists for the Trading Risk Transaction of the Year Award. Trading Risk is a publication that covers the convergence of the insurance and reinsurance industry with the capital markets.

The nominated deals are Parkton Re Ltd, in which Cadwalader acted as transaction counsel (GC Securities, Swiss Re Capital Markets); Blue Fin Ltd (Goldman Sachs & Co), in which Cadwalader acted as underwriter's counsel, and MultiCat Mexico 2009 Ltd (Swiss Re Capital Markets), in which Cadwalader acted as transaction counsel.

The winners will be announced at the Trading Risk Awards ceremony at the Honourable Artillery Club in London on July 1, 2010.

About Cadwalader, Wickersham & Taft LLP

Cadwalader, Wickersham & Taft LLP, established in 1792, is one of the world's leading international law firms, with offices in New York, London, Charlotte, Washington and Beijing. Cadwalader serves a diverse client base, including many of the world's top financial institutions, undertaking business in more than 50 countries in six continents. The firm offers legal expertise in antitrust, banking, business fraud, corporate finance, corporate governance, environmental, financial restructuring and reorganizations, healthcare, insurance, intellectual property, litigation, mergers and acquisitions, private client, private equity, real estate, regulation, securitization, structured finance, and tax. More information about Cadwalader can be found at www.cadwalader.com.

About Trading Risk

Trading Risk covers the convergence of the (re)insurance industry with the capital markets. Trading Risk provides insight on all aspects of the trading of insurance-related risk, regularly including news and analysis on the latest cat bond transactions and other insurance linked securities (ILS), tracking in-storm derivative trading, industry loss warranties, a comprehensive deal directory and other essential market data, together with other forms of alternative trading, such as weather and emissions. It is published by Insider Publishing Ltd, an independent financial publisher based in London.
