**New York, NY, December 6, 2010**, Cadwalader, Wickersham & Taft LLP, a leading counselor to global financial institutions and corporations, received top recognition from *The Financial Times* in its inaugural *US Innovative Lawyers Report*. The firm was one of only three firms ranked as "standout" for exceptional work in 2010 in the automotive sector for advising the U.S. Treasury Department Presidential Auto Task Force in the historic restructuring of General Motors and Chrysler and in the restructuring category for its work on the chapter 11 of petrochemical giant LyondellBasell. The US Innovative Lawyers report is a collaboration between the FT, a premier global publication covering international business and politics, and RSG Consulting. To be ranked in the US Innovative Lawyers report, a legal team needed to have exceeded client expectations in a demanding market.
