New York, NY, June 1, 2016—Cadwalader, Wickersham & Taft LLP, a leading counselor to global financial institutions and corporations, was named CMBS Law Firm of the Year at GlobalCapital's annual US Securitization Awards.

GlobalCapital is a news and data service focused on the international capital markets, providing news alerts, league tables, profiles and special reports for the financial community. The awards recognize the best banks, issuers, investors, law firms and deals in the market as chosen by their clients and peers. In CMBS, Cadwalader has ranked number one for more than 15 consecutive years as both issuer's counsel and underwriter's counsel by *Commercial Mortgage Alert*.

Cadwalader's Capital Markets Group is a leading global securitization practice which handles a broad range of public and private securitization and structured finance transactions, including CMBS, CLOs, ABS and other complex securitization and structured finance transactions.
